#### **53.15 Matters arising from the minutes**

Matters arising formed part of the agenda.

#### **The meeting was adjourned to receive reports from:**

- Cllr O'Brien – Suffolk County Council / SCDC Council – written report

#### **Suffolk County Council**

More than 75,000 homes and businesses across Suffolk can now connect to high-speed fibre broadband thanks to the Better Broadband for Suffolk programme, which continues to roll out the sophisticated technology to rural communities.

The programme is now over three quarters complete, and is on course to meet the aim of making fibre broadband available to 100,000 premises by the end of 2015. Providing fibre broadband to rural communities is at the heart of the SCC's economic growth strategy. Suffolk was the first county in the UK to sign its second BDUK contract, in October 2014, committing to further investment to ensure 95% of premises will be able to access the high-speed open network by early 2018. Work is already underway to find solutions to serve the remaining 5%.

The people of Suffolk are being invited to nominate their school, teacher, star pupil and many more, for the Raising the Bar Awards 2015.

The awards celebrate success and inspiration across the education system in Suffolk, and SCC wants nominations for people, places and projects that are raising the bar. You can nominate on-line at [www.rtbawards.com](http://www.rtbawards.com) If you are interested in sponsoring a Raising the Bar award email [raisingthebar@suffolk.gov.uk](mailto:raisingthebar@suffolk.gov.uk) Nominations close at 5pm on Tuesday 21 April.

The newly-written Suffolk Rail Prospectus launched in March reveals a number of rail priorities to be delivered in the county over the next 20 years.

Focus is being placed on new passenger trains, shorter journey times and improved passenger rail service frequency; the prospectus details how these aspirations alongside others will generate big economic returns for the Suffolk. The priorities detailed within the prospectus, include: early commitment to high quality new trains; faster journey times to principal destinations such as London Liverpool Street, Cambridge, Lowestoft, Peterborough and Norwich; improved frequency of rail services to key locations and within Suffolk. This includes a direct hourly service between Ipswich and Peterborough and a half-hourly service between Ipswich and Cambridge; up-grading major rail stations, including Lowestoft, Ipswich, Stowmarket, and Bury St Edmunds; and a new direct rail service between Ipswich and Oxford via the East-West Rail Link

The Lowestoft Spine Road was officially opened last month by Secretary of State for Transport Patrick McLoughlin MP.

The new stretch of road is 1.1km in length and runs between the existing roundabout at the northern end of Millennium Way, to the new roundabout that connects it with Blundeston Road, Corton Long Lane, and the northern section of the A12 towards Great Yarmouth.

- Cllr Falconer – Suffolk Coastal District Council – verbal / written report

#### Suffolk Coastal District Council Report

The last year 2014/2015 District Council wise has been a tidying up year with finalising the Deben Estuary Plan, raising money for the Defence Flood Wall at Waldringfield and the coastal path in Levington, deciding on the number of Councillors and thus Wards for the future in Suffolk Coastal, should SCDC Head Office move and where to, and the new Local Plan (LDF) has been finalised but still has problems.

I can hardly believe it is 12 years since I became your District Councillor – the years have flown. The Nacton Ward has 10 Parishes with 6 Parish Council Meetings per month and in some cases every other month. Parish Chairmen have come and gone as have some Parish Clerks and Councillors and the subjects each Parish has had to deal with over this time have varied enormously. I have had the wonderful opportunity to learn about things I would never have probably known about and these problems have opened my eyes to the grass root problems of so many constituents who love the Nacton Ward. I have had to research many subjects to give you as much information as possible. Some Parishes have needed a helping hand others cope brilliantly with the problems besetting their village. The backbone to my work has been Suffolk Coastal, the Committees I have sat on, the workshops attended, visits to Sizewell, Bentwaters, a Sola Farm in Ely along with numerous site visits re contentious Planning Applications in the Ward. Networking has been a key part of the job not only with Suffolk Coastal but with the Police, Suffolk County Council and many many constituents.

As a reminder some of the events and highlights in the last 12 years that have occupied a great deal of my time both in the ten parishes as well as at Suffolk Coastal have been.

- Pubs Opening and Closing – The Sharron in Bucklesham and The Ship in Levington.
- The three murders at Levington/Nacton.
- Caravan sites, bus routes and timetables, loss of Nacton Post Office, Sizewell C, Log Cabins.
- Biomass boilers, wind turbines in Bucklesham (3), Purdis Farm (2), Solar Panel Farms at Newbourne and Levington, telephone masts – scattered throughout the Ward.
- Recycling, wheelie bins, composting and waste disposal, affordable housing, doggie bins, food hygiene.
- The Pontoon at Waldringfield, beach and village litter picks, Waldringfield Quarry.
- Nottingham Declaration on Climate Change, Council Tax changes, partnership working, The Local Development Framework (LDF) – which has dominated the last eight years, BT Application – still undetermined. The Deben Estuary Partnership and Boundary changes.
- Reduction in District Councillors from 55 down to 42 at the election next month. SCDC accommodation move to Melton and the sale of Melton Offices.
- Tidal Surge in December 2013 affecting both Waldringfield and Levington.
- Public Rights of Way (PROW), Alcohol Licencing, Taxi Licencing, numerous planning applications, Amberfield and recently the Hollies.
- Car parking fees, introduction of Philis IT, Tourism, Community Enabling Fund, Community Infrastructure Levy (CIL).
- Levington winning the Calor Village of the Year competition, being Vice Chair and Chairman of Suffolk Coastal covering two years, Chairing the Quality Place Awards.

The list goes on !!!

Stepping down is going to leave a huge void in my life as all the villages over the last twelve years have been my back bone with all their ups and downs. My sincere thanks go to the Chairman and Parish Clerks for all the wonderful work that they have achieved. Thank you for letting me share and input to the best of my ability.

- Suffolk Police – PCSO Glynn Bown – written report

#### Monthly Report

<b>Parish</b>	<b>No. of crimes recorded</b>	<b>Same month last year</b>
Brightwell	1	0
Bucklesham	3	1
Foxhall	2	0
Levington	0	1
